In the Classroom

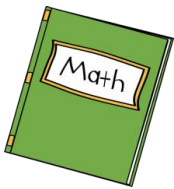

Literacy– This week we will be learning about the story elements found in fiction texts. We will be talking about the setting, characters, and main events. In phonics we will continue learning about consonant and digraph blends. We will also learn r-controlled vowels (ar, er, ir, or, and ur).

Writing– We will continue learning about How To writing. We will be sketching and writing down the steps that we followed to make our leaf rubs. We will also be learning about verbs and making sure that each step of our writing contains an action word.

Math– We will finish learning how to tell time to the hour and the half hour using analog and digital clocks. We will also begin learning about two-dimensional shapes.

Social Studies– We will continue learning about holiday celebrations and traditions. This week we will be learning about Memorial Day, St. Patrick's Day, New Year's Eve, and President's Day.

Homework

Homework this week includes a reading log, reader's response questions, math activities, and quarter 1 and 2 Trick Words.
